SPAWAR Systems Center San Diego Awards Contract

SAN DIEGO — *ORI Services Corporation of San Diego, Calif., is being awarded a \$102,895,549 indefinite-delivery, indefinite-quantity-type contract with a cost-plus-fixed-fee pricing arrangement for technical support services at the Naval C4I Restoration and Repair Depot. Support will include manufacturing, restoration, repair, overhaul, installation and calibration of ground, ship and airborne command, control, communications, computers, intelligence, surveillance and reconnaissance (C4ISR) equipment. Other services will include performing Automatic Test Equipment and Technical Performance Standards development and upgrades. This five-year contract includes eight, six-month award term incentives, which if awarded, would bring the cumulative value of this contract to \$198,690,533. Work will be performed at the Naval C4I Restoration and Repair Depot in San Diego, Calif., (90%) and at ship and shore installations worldwide (10%). The period of performance of the base contract is from March 11, 2004 through March 10, 2009. Contract funds will not expire at the end of the current fiscal year. This contract was competitively procured via the SPAWAR e-Commerce Central website with proposals limited to Small Business Association 8(a) program firms. One offer was received. The Space and Naval Warfare Systems Center San Diego, Calif. is the contracting activity (N66001-04-D-5025).

*ORI Services Corporation of San Diego, Calif., is a small business.
